SURVEY QUESTIONS FOR MINNESOTA CHAMBER/GROW MINNESOTA:

Bud reminded the committee to make sure they ask the question “Is it ok with you if we enter the data from the interview in to Grow Minnesota project database?” Bud mentioned we have to have a clear answer in order to share the information with Grow Minnesota. The committee also discussed putting this question at the end of the survey instead of asking it first. The committee thought after going through the survey it would make paint a better picture of why we ask the question. Kerry will also add an “address” line so the participants name and address will be on the survey.

ACTION: Kerry will redo the survey and send it out to the committee members.
