**COMMITTEE DIRECTION:**

The committee had a lengthy discussion on the direction of the committee. The committee members discussed concerns and ideas. Some questions the committee members asked themselves were: What age group should they be targeting? How do they recruit members and new committee members with a fresh perspective? The committee members expressed concern with the attendance record of the events that have been planned. The committee members decided after this conversation to re-strategize over the summer months. The committee will come up with a plan with a fresh direction for the September meeting. Carie Olds, Kristina Clark and Cory Jackson will set up meetings amongst themselves and come up with a direction and action plan. The committee did decide they would like to have Melissa Roberts follow through with her idea for the September Sheriff forum. The committee members do feel this is a great September event, but this event does need to be planned before the committee reconvenes in September.

**ACTION:** Carie Olds, Cory Jackson and Kristina Clark will meet over the summer to try and come up with ideas to re-energize this committee. Carie Olds will call Melissa Roberts to talk with her about the September Sheriff forum.
