

Youth Leaders for Vital Communities

Goals for 2009

Mission Statement:

“Increasing the voice of youth in the community, helping to make a positive impact.”

PLAN OF ACTION:

1. YLVC Participants will learn about businesses in their respective communities through interviewing and conducting surveys with business owners and employees.
2. Using the Minnesota Job Bank website (www.minnesotaworks.net) students will search for job openings in their chosen career path and research the education and skills necessary for that particular career.
3. YLVC students will conduct interviews with individuals working in a field of his/her interest.
4. YLVC members will participate in a winter and spring summit at Wendigo Convention Center facilitated by Rick Cole of Dale Carnegie training.

Objectives of the winter training session are to:

Demonstrate clarity when giving directions

Learn to present information in a logical sequence

Reinforce the value of demonstrations when explaining new material

Gain confidence in explaining our ideas
