Minutes from January 7<sup>th</sup> 2008

Staff Present: Sheri Mulvahill, Stephanie Davis, Bud Stone

- ✓ Meeting Called to order by Lacey at 9:21 am.
- ✓ Nora moved to approve minutes from December meetings. Eva seconded.
- ✓ Guest Speaker:
  - Lacey will invite Jim Madden from Arrowhead Transit to our next meeting. We will inform him of our ideas and hear his opinion and if he has any ideas.
- ✓ District Coordinator Replacement:
  - Due to Lynn getting a full-time teaching job she feels that we need a coordinator who will be there more often.
  - Candy was suggested Lacey spoke with her and her response was that she was too busy and we deserved someone who could be there whenever we needed them.
  - Miss Bennett would not be able to be our coordinator due to the fact she can't get anyone to cover ISS during the times she needs to be gone.
  - Keep thinking of someone you would like as a coordinator.
- ✓ Team updates:
  - No one from "After School Team" was present. It was discussed if they have done anything yet and/or if it could be a project for next year.
  - Team "Activity" has taken their next action step and will be meeting with the school board that night to share the information that we have discovered and hear their opinions.
