The Grand Rapids area isn’t only a great place to live; it’s also a fantastic place to visit. Countless commercials, products, books, magazine articles and seminars have been devoted to the subject of helping people lead balanced lives: in our neck of the woods, it happens automatically. We live in a very special environment here – one that provides quality jobs, quality education and quality life styles. Where else can you enjoy the amenities that are usually associated with the big cities and still get yourself lost in the woods in a matter of minutes? In the Grand Rapids Area, the winter, spring, summer and fall seasons all offer a multitude of opportunities for recreation, as well as good paying jobs. A long commute in Grand Rapids is a ten minute delay by a train going through town. Quality of life balanced with work and responsibility - that’s what we’re all about.

The 2019 Northern MN Swap Meet & Car Show was once again a GRAND SUCCESS! Attendance estimates for this event for 2019 are over 20,000 people and they come from everywhere. The Chamber counts on around 40 volunteers to help and we could not do it without you! This year the Chamber partnered with the Grand Rapids Amateur Wrestling Association, GNK Cross Country Team, Civil Air Patrol, Itasca County Search & Rescue, Itasca County Sheriff’s Department and the GRPD Reserves as well. Around 250 swap vendors reserved spaces to ply their wares and we had 14 food vendors providing a great assortment of eats and drinks! Once again the camping spots at the Fair Grounds were full of vendors and attendees almost a week before the event and if you were looking for unreserved lodging in the area, you had quite a challenge. At the same time the Northern Cruisers held their annual car show at the IRA Civic Center and according to AEOA their charter bus transported more than 900 people between the two events on Saturday! It truly is a Weekend of Wheels in Grand Rapids. The “Show and Shine” car show at the Swap Meet on Sunday brought in 140 vehicles of all types and from all places and attendee parking was a challenge. Thank goodness the West Range Racing Association let us use the Speedway for the overflow. ISD #318 gets involved too by allowing vendors who arrive a day or two early to temporarily park their rigs in the RJEMS parking lot.

Let’s not forget the GRPD and Public Works either for the extra work they put in to make sure the event runs smoothly.

The Itasca Vintage Car Club hosted this event for 42 years and did a stellar job with it. If you have never run a project of this magnitude, you can’t appreciate the amount of work that went into this event by them over that 42 years. This was the 6th year that the Chamber has been at the helm and I’m confident that it will continue to bring the community together for a long time into the future. It’s the show that keeps on growing!

MY COMMUNITY, MY BANK™

“We’re the working parents of four daughters, so we’re on the run all the time. We tried to find a bank that would help us do what we needed, and we were super impressed with Grand Rapids State Bank. The staff is so friendly and calls us by name! They project a friendly, small-town banking experience you don’t get at other places. Grand Rapids State Bank made transferring our accounts and consolidating our loans a simple process, and that’s a good feeling. This is my community and my bank.”
