When friends ask why our area is such a great place to visit, and an even better place to call home, we tell them to start with dinner.

Begin at **Forest Lake Restaurant** with comfort classics done right - hearty breakfasts, relaxed lunches, and the kind of service that remembers your name. Wander downtown and you might catch live music at **Rapids Brewing Co.**, where craft beer pairs with wood-fired favorites and the kind of neighborly welcome that turns visitors into regulars. Special night out? Slide into the cozy charm of **The Pines Restaurant** for a linger-longer meal and drinks made to order. **Ledger and Ladle** offers a revolving menu with cuisine from all over the world to pique your interest and quench your culinary cravings.

Bring the whole crew to **Zorbaz Pokegama Lake** for lake views with a laid-back vibe after a day on the water or a snowy trail ride. For a quick pizza and casual bar atmosphere, **The Tied by Rapids Brewing** is always a hit.

We know kitchens fuel more than appetites - they fuel our economy, sponsor our teams, and anchor our lakeside afternoons and downtown nights out. Visitors discover a table they love; new residents discover a table that loves them back. **Dine here** - and taste why so many do the same! ■

SHOP HERE

One of the best things about the Grand Rapids area is the unique shopping where finding the perfect item is more than a checklist; it's how you meet your neighbors and settle into a life that fits.

Start with the essentials – add the adventures. At **L & M Fleet Supply**, weekend projects and cabin getaways find gear, fishing tackle, work boots, pet food, and that “one tool” you’ll use all season. Across our region, **Northern Star Convenience Center** not only keeps our households and vehicles humming with fuel, but they offer unique gift items, farm-and-home supplies, and everyday convenience that makes rural living easy.

Downtown, you’ll feel the local heartbeat. **Benders Shoes, Clothing & Gifts** outfits families for four-season living with layers for trail days, sharp looks for nights out, and a gift shop stocking treasures. When it's time to make your house feel like home, **Cabinet Corner & Home Center** and **Floor to Ceiling – Interior Design Showroom** bring style and craftsmanship to kitchens, baths, and every room in between with design advice, quality finishes, and installs that turn “someday” into “move-in ready.”

And because feeling at home also means feeling your best, **True North Salon & Spa, Inc.** offers the pause button on cuts, color, and spa services that make a rainy day brighter and a busy week lighter. Visitors love it; new residents make it part of their routine.

Our businesses do more than ring up sales - they sponsor our teams, hire our graduates, and welcome newcomers with real help and real smiles. Spend a day exploring, and you'll discover the simple truth behind our pitch: come **shop here**, and you can see exactly how living here will work for you - week after week, season after season. ■

What makes our area a favorite place to visit and call home: the trails, stages, events, shorelines, and galleries where you can truly **play here**.

Start with fresh air to help families and weekend warriors make the most of northwoods seasons - hiking winding forest trails, paddling mirror-calm lakes, biking shaded loops, or snowshoeing and cross-country skiing when the woods turn white. Our 1,100 lakes are a four-season playground for quiet sunrise paddles and trophy fishing in summer; crisp fall hikes through public forest lands beaming with maples and mature pines; over 2000 miles of trails for skiing, biking, snowmobiling or ATV's.

Step back in time at the **Forest History Center**, where living-history experiences turn curiosity into discovery. When the sun is high, tee up at **Pokegama Golf Course** where lake views, friendly fairways, and a pace that reminds you why "up north" feels like a deep breath. Watch progress as **Mad Bear Alpine Area** develops into a new multi-use alpine ski and snowboard area.

Culture lives at the heart of our community. **The Reif** lights up nights with music, dance, theater, and touring artists. Downtown, **MacRostie Art Center** showcases regional creativity with exhibits, classes, and events that invite everyone to get hands-on in art. Families find wonder at the **Judy Garland Museum**, showcasing the early years and life of the beloved actress along with a museum to honor "The Wizard of Oz." Just next door, visit our **Children's Discovery Museum**, a playful, learn-by-doing space that turns rainy afternoons into bright memories. And when it's time to add a little sparkle to your getaway, **White Oak Casino** brings entertainment, dining, and night-out energy under one roof.

You won't want to miss the **Northern Cruisers Weekend of Wheels** combined with the **Northern MN Swap Meet & Car Show** the last full weekend in July. The Swap Meet & Car Show at the Itasca County Fairgrounds, runs Friday-Sunday featuring over 200 vendors selling vintage goods, handcrafted items, auto parts, and specialty items. Enjoy food trucks, live music all day Saturday, and a car show on Sunday. The Northern Cruiser Car Show at Yanmar Arena on Saturday features an impressive lineup of classic, custom, and late-model vehicles. A shuttle runs Saturday between events.

These unique places do more than fill itineraries - they knit people into the community. Visitors arrive for a weekend and suddenly picture a whole new rhythm of life: morning paddles and trail runs, school concerts at the Reif, First Friday art walks at MacRostie, tee times with friends, museum days with the kids, and four-season adventures that start right outside the front door - knit people into the community. Come **play here** - and you just might decide to stay. ■

BIKING

Pedal into Itasca County and you'll find routes for every kind of rider - from smooth, scenic miles on the **Mesabi Trail** (a paved corridor that winds through Northwoods lakes and old iron range landscapes) to **Tioga Recreation Area's** purpose-built singletrack with 25+ miles of mountain biking across a rugged, wooded playground. Round it out with endless ride options in the **Chippewa National Forest**, where forest roads and trail networks invite you to build your own adventure with out-and-backs, loops, and exploration rides in every season. Within the city limits of Grand Rapids, there are trails connecting you to shops, dining, and parks. You can even day trip to Cohasset and LaPrairie! ■

HIKING

Itasca County and surrounding areas are a hiker's playground. Whether you're looking for an easy in-town stroll or a quiet, backcountry escape. Wander the wooded, lakeside **Legion Trail** in Grand Rapids, then head north for the scenic solitude of **Simpson Creek Trail**, or the rugged beauty of **Suomi Hills**. For off-the-beat adventure, the **Chippewa National Forest** offers towering pines and mixed hardwoods. For a classic "Minnesota state park" day, **Scenic State Park** delivers peaceful trails with overlooks and shoreline walks that feel a world away. ■

SNOWMOBILING

Northern Minnesota is a true winter wonderland and Itasca County is right at the heart of it! With 300+ miles of snowmobile trails weaving through snowy forests, across lake country, and into welcoming communities for fuel, food, and warm-up stops, we are the perfect destination to play in the snow! With 10+ local snowmobile clubs working tirelessly to groom and maintain routes throughout the season, riders can count on a well-cared-for trail system that makes it easy to explore more each day and keep the adventure going. ■

MOTORCYCLING

Cruise into Itasca County for motorcycle rides that feel tailor-made for riders - sweeping scenic routes, quiet two-lanes, and plenty of "pull over and take it in" moments. Loop the **Hundred Lakes Tour**, roll through towering pines and explore the area's **Off the Beaten Path** and **Southern Ramble** routes, each connecting you to small towns, overlooks, and great stops for fuel, food, and lakeside breaks. Want designated byways? Itasca County is home to three: **Edge of the Wilderness, Avenue of the Pines**, and the **Great River Road**, all perfect for a day ride - or a weekend. ■

ATV & OFF ROAD

Itasca County is an off-road rider's dream, with thousands of acres open for adventure and 200+ miles of ATV/ OHV trails winding through Northwoods forests, lakes country, and wide-open scenic terrain. Ride routes that connect to communities across the region, making it easy to turn a day on the trail into a full getaway. Fuel up your energy at local diners, browse hometown shops, and cap it off with welcoming lodging options ranging from cabins and resorts to hotels right near the action. ■

YOUR FEEDBACK NEEDED!

Help shape the future of Itasca County trails.

The Itasca County Land Department, in partnership with the University of Minnesota and The PLUM Catalyst, is leading a **two-year comprehensive trails study** (Dec 2025 – Nov 2027).

We're gathering input from residents and visitors to better understand how our trail systems are used and the economic impact they create — information that will guide **maintenance, funding, and future trail development.**

Be like Charles.

Blandin Beach opening celebration - 1948

Providing resources that improve the lives of working-class folks formed the core of Charles Blandin's intent for the foundation, and his vision for the community.

Each of us has opportunities, big or small, to provide support. From building a community swimming beach, like the Foundation's first-ever grant, to joining friends and neighbors to fight hunger, we show the "spirit of helpfulness to one's fellow man" Mr. Blandin recognized as our region's distinctive character.

So whenever you can, and however you're able - be like Charles.

Those supports make a difference now, building the dignity fundamental to healthy communities. They also build up our communities and our region toward a resilient, regenerative future.

When people ask us what makes the greater Itasca Area such a special place to visit, and an even better place to live, we often start with one simple answer: you can **learn here**.

Picture a family arriving for a long weekend in the northwoods. They come for the lakes & trails, the art, the scenery, and our small-town charm. But as they drive through town, they notice something else: bustling school campuses, playgrounds, and banners celebrating student achievements in academics, arts, and athletics. What begins as a getaway, feels like a glimpse into a hometown.

For our youngest learners, **Roots & Wings Early Learning Center, LLC** is one of our early learning and

childcare centers offering a nurturing place where children are grounded in care and community, while gaining the confidence to explore and grow.

As students grow, our area's school systems like **Grand Rapids Area Schools** provide a strong, well-rounded educational path from elementary school through graduation. With a focus on hands-on learning, career exploration, and supportive staff, our districts help students discover who they are and where they want to go whether that's skilled trades, the arts, higher education, or straight into the local workforce. After high school, our local community college offers accessible, affordable pathways to certificates, degrees, and workforce training that keep talent right here in our region. Adults returning to school, recent graduates, and career-changers alike can build skills close to home while staying rooted in the community they love.

Here In the Grand Rapids area, learning doesn't stop at the classroom door. It lives in our theaters and museums, on our lakes and trails, in our businesses and neighborhood parks. For visitors, it makes for a richer, more meaningful stay. For those who choose to relocate, it means raising a family in a place where curiosity is encouraged, opportunity is real, and every season offers something new to discover. **Learn here** - and you just might decide to stay. ■

BE WELL HERE

In the Grand Rapids area, we often say you can **be well here** in every sense of the word - body, mind, and spirit.

From your first walk downtown to your first cabin weekend, peace of mind matters. Our region is home to a full network of trusted providers, including **Essentia Health, Grand Itasca Clinic & Hospital**, and **Riverwood Healthcare**, offering everything from routine checkups and urgent care to specialty services. Whether you're a visitor with a sudden need or a new resident putting down roots, you don't have to travel far for high-quality, compassionate medical care. And because pets are family, **Grand Rapids Veterinary Clinic** keeps four-legged companions healthy with preventive care and prompt treatment adding another layer of comfort for your stay.

Wellness here also means feeling supported through life's biggest moments. **New Beginnings Pregnancy + Family Support** walks alongside expecting and growing families with resources, education, and care. For those seeking a calming place to call home as they age, **Brookstone Manor** and **Oak Hill Assisted Living** offer comfort, community, and dignity that reassures families that their loved ones are in good hands. Providers like **Borealis Health, PLLC** help bridge gaps in care, bringing services closer to where people live, work, and play.

We believe mental and emotional health are just as important as physical wellbeing. **Wise Minds by Rhea** offers mental health support helping individuals with personalized care. For those who seek confidence-boosting, restorative options, **Northland Med Aesthetics** provides services helping people feel their best, inside and out.

Wellbeing is also about connection. Volunteering through **United Way of 1000 Lakes'** volunteer portal gives newcomers and long-time residents alike a simple way to plug in and experience the proven wellness benefits of giving back: purpose, friendships, and a deeper sense of belonging.

We see every day how this strong, integrated health and wellness community supports not only our residents, but also the visitors and new neighbors who choose this place as their home base. When you explore our lakes, our trails, and our main streets, know this: you're in a community where your wellbeing matters. **Be well here** and discover why so many decide they never want to leave. ■

LIVE, DO BUSINESS, RECEIVE SERVICES HERE

We know sometimes people aren't just looking for pretty lakes and great restaurants. Behind every beautiful view is a network of local businesses ready to support daily life and big dreams.

A great first step is to talk to trusted institutions like **First National Bank of Coleraine**, **Grand Rapids State Bank**, **Park State Bank**, and **Woodland Bank** helping new residents open accounts, finance homes, and plan for the future. Investment guidance from **Edward Jones - Laurie Clausen** and coverage through **Greater Insurance Services** give families and entrepreneurs peace of mind. When it's time to buy or sell property, think **Move It Real Estate Group**, while **Abstract Service Company**, **Midland Title**, and **The Title Team** make closing day smooth. Businesses looking to grow tap into marketing expertise from **W.A. Fisher Co.** Startups and expanding employers look to **Grand Rapids Area Chamber of Commerce** and the **Itasca Economic Development Corporation (IEDC)** to provide coaching, connections, and resources turning good ideas into success stories.

Once you've picked home base, our home, property, and construction businesses help turn a house or cabin into your own. **Iseman Homes** offers housing options that fit a variety of needs. Behind the scenes, **Schwartz Excavating & Redi-Mix** prepares sites and shapes land for new development, while **American Disposal**, and **Lakes Gas** keep households and businesses supplied and serviced. Need extra room for toys, tools, or inventory? **City Limits Storage Center, Inc.** gives you the space to spread out and stay organized. When it's time to stock the freezer or plan a celebration, **Orty's Custom Meats & Smokehouse** brings farm-to-table flavor with quality cuts.

Every community relies on utilities and connectivity. Here, **Grand Rapids Public Utilities** and **Lake Country Power** power homes, shops, and schools, while **Mediacom Communications** and **Paul Bunyan Communications** keep residents and remote workers online and connected.

Our transportation partners like **Range Regional Airport** connect our area to destinations near and far, making it simple for visitors, travelers, and residents to come and go. **The PLUM Catalyst - GoMart** is your ground ride linking you to our top stops! On the road, **A & B Mishaps**, **Acheson Tire**, and **Carquest Auto Parts** keep vehicles ready for daily commutes, road trips, and those unexpected bumps in the journey.

Philanthropy and community leadership thrive through **United Way of 1000 Lakes'** commitment to improving lives and advancing the common good. Additionally, the **Grand Rapids Area Community Foundation** invests in local priorities - from education and the arts, to health and recreation - so families and businesses can grow together. And to keep everyone informed and engaged, **Itasca Community Television (ICTV)** shares stories and local events that knit neighbors across the region.

Our businesses work to create a community where people visit - and put down roots. Here, you can live, do business, and receive services knowing that from your first weekend stay, home purchase or new business launch, you'll be supported by neighbors who are invested in your success. ■
